Gerry Rigged

For Bb clarinet and live electronics

By Jon Christopher Nelson
Summer, 2004

Introduction

Clarinet in Bb

Play the following gestures quietly, in any order with pauses between as desired.
Gestures may be played more than once. Continue for approximately 1-1/2 minutes.

breathy tongue roll into instrument

blow into instrument

slow, indeterminant key clicks

indeterminant tongue clucks into instrument

blow into instrument

blow into instrument

mf *fp* *fp* *ff* *sfz* *mf* *f*

fp *f* *f* *fp* *f* *mp* *sfz* *sfz*

fp *sfz* *mf* *sfz* *sfz*

Transition

Throughout the transition, continue to choose your own path through the gestures while generally retaining an overall top-to-bottom trajectory. As this section progresses, the gestures should become more frenetic and the tempo should perceptually increase. This section should last for approximately 30-45 seconds.
